### **YIN YOGA**

Yin yoga is an introspective practice that offers a chance to turn inward and nurture the calm, quiet center that is innate in all of us. It is a practice in stillness, patience, and non-reactivity. Through yin yoga we hold passive poses for a period of time to gently lengthen the muscles, revitalize the connective tissues, find balance, release stress, sit with our emotions and practice resiliency. We become better listeners with practice tuning in; we become wiser as we get to know ourselves from the inside out.
