YIN/RESTORATIVE YOGA

Yin yoga is an introspective practice that offers a chance to turn inward and nurture the calm, quiet center that is innate in all of us. It is a practice in stillness, patience, and non-reactivity. Through yin yoga we hold passive poses for a period to gently lengthen the muscles, revitalize the connective tissues, find balance, release stress, sit with our emotions and practice resiliency. We become better listeners with practice tuning in; we become wiser as we get to know ourselves from the inside out.

ZUMBA

Zumba combines high energy and motivating Latin and International music with easy-to-follow body sculpting dance moves and combinations. Work every muscle with this killer strength training class coupled with great music.
